

Platycodon grandiflorus 'Sentimental Blue'

Sentimental Blue Balloon Flower

DESCRIPTION

Sentimental Blue is a dwarf selection that typically grows to only 6-12" tall.

Features unique, puffy flower buds shaped like hot air balloons which open into 3" diameter, single, blue, upward-facing, bell-shaped flowers with five pointed lobes.

Blooms most of the summer and attracts butterflies.

It's best planted in the front border or rock garden.
